

5.11 Evaluation of Principles and Guidelines Screening Criteria for Recommended Plan

The Corps' "Principles and Guidance" signed by President Ragan on February 3, 1983 suggest the use of four evaluation criteria for screening of alternative plan. The four criteria are, Completeness, Effectiveness, Efficiency and Acceptability. The recommended plan, Alternative 7a, meets all 4 criteria.

Completeness

Alternative 7a is complete. It includes all features needed to meet the objectives.

Effectiveness

Alternative 7a is effective. It meets all of the Objectives and Constraints.

Efficiency

Alternative 7a is efficient. It is the most cost effective.

Acceptability

Alternative 7a is acceptable. It is consistent with all laws and policies. And it is technically doable.
